How it works.

Coupon basics...

1. Use the Coupons, in any combination, at the businesses below.
2. Coupons can't be turned into cash. We encourage you to apply the Coupons to a purchase amount larger than the face-value of Copuons used.
3. For more Coupons, add a night(s) to your current stay (if available); each night adds way MORE \$\$ than previous night.
4. Depending upon season, size/style of unit, & number of nights, total amounts can range up to \$450!
5. Coupons left over at end of your stay? You can apply that \$ amount to a future reservation (within one year) at any of our Bluefin Bay *Premium Homes*.

Great places to visit, things to do – with or without Coupons!
Coupons accepted by North Shore's finest!

(6/2019)

• Thanks for staying in our Bluefin Bay *Premium Home*!
• **Your Guest Appreciation Coupons are attached!**

• **THESE COUPONS ARE VALUABLE** – special thanks for a return stay at our Bluefin Bay *Premium Homes* ('units' 14, 56 & 57). (Or, you'll find sample Coupons if you're a first-timer).

• Background: Most Lutsen/Tofte resorts add a 'Resort Service Fee' to check-out bills. Traditionally those fees (compounded by sales tax) are substantial. For this by-owner rental, **you don't pay a 'resort fee'** (& modest booking fees are offset by lower rates).

• Sometimes such a Fee is said to cover costs of maintaining 'free' "recreational amenities" – essentially kayaks, canoes, bikes, xc skis, shuttles. So when you see items like that around here, they're for Bluefin guests who've been charged the extra Fee. (Our Coupons will help offset that, as explained below.)

• **But you & your group may use the pools, hot tubs & fitness facilities as much as you wish. Your Soak'n'Splash keycard gives you access.** Of course, you can also visit gift shops, restaurants or consider the Resort's fee-based services.

• Our Coupons started with "recreational amenities"; use them at **Sawtooth Outfitters** (across from Bluefin Bay Resort's Guest Services building). Sawtooth owners Jeff & Sarah have a great operation & will help you with personalized services and **great bikes, canoes, kayaks, etc.** In winter, they also have the finest gear in this area for alpine (even better than up the Hill) & xc skiing plus snowboards, snowshoes, sweepers & other BWCA winter rentals. Or use Coupons for personalized **charter fishing** on Lake Superior, with **Tofte Charters** and its well-equipped, 4-6 passenger vessels; enjoy the remarkable, enjoyable North Shore knowledge & experience of owner/guide/Captain Darren Peck. Or **hit the links** at the famed **Superior National Golf Course**.

• But we realize many guests have *other* interests. So, to offer more value, we've gone a step further & arranged additional options: **Fine dining** (**The Crooked Spoon Cafe**, Grand Marais); **uniquely 'northern' shopping** (**WatersEdge Trading Co.**); **consider wine tastings & tours** & more (**North Shore Winery**, Lutsen.) Or **quaff the North Shore's finest brew** (**Voyageur Brewing Company**, Grand Marais). We've carefully selected & screened these choices as our recommendations for great ways to enhance your North Shore experience. We hope our Coupons will make these options even more inviting. These people try to familiarize each of their staff with the Coupons; but we appreciate your patience if you happen to find someone still 'learning the details.'

• There's no extra charge for these Coupons. We expect you'll find your actual "check-out price" to be lower by any comparison. The Coupons are an extra effort to make your stay & North Shore experience value-related – with the extra lodging comforts & perks we offer in our Bluefin Bay *Premium Homes* and through the offerings of these favorite merchants.

• Please enjoy your stay in our home & COME AGAIN!
With appreciation, from the owners of Bluefin Bay's *Premium Homes*
